Context Clues

Figure out a new word from the words around it

D Definition

- The sentence **tells** you what it means

Arid, or very dry, land...

S Synonym

- A word nearby means the **same**

He was famished. He was so hungry!

A Antonym

- A word nearby means the **opposite**

Unlike his timid sister, Max was bold.

E Example

- Examples **show** the meaning

Reptiles, such as snakes and lizards...

I Inference

- Use the **whole** sentence to guess

The puppy was so lethargic it slept all day.

Remember D.S.A.E.I. Then reread the sentence with your guess to check it.
