Estimating Sums & Differences

A close guess, not an exact answer

Round

- Round each number, then **add** or **subtract**

46 + 31

50 + 30 = 80

Compatible Numbers

- Change to numbers that are **easy** to use

248 + 153

250 + 150 = 400

Use an estimate to **check** if your exact answer makes sense.
